Thank you for considering a Dodge City Fury FC community partner sponsorship!

In 2 years, Dodge City Fury FC has grown from a small club of about 9 members to a about 70 boys and girls ages 4-8. We Also have a Semi Pro team that will compete in the the Major League Futsol League this Year. The Program was developed to improve Dodge city's youth and allow all participants, no matter the income level to compete in high level tournaments with professional qualified coaches. All Fury Fc coaches must pass a background check and obtain coaching courses from US Soccer (paid by the club). Our Goals and Future Goals:

- To create top players at all levels of play – recreational and competitive – by building and improving their skills, confidence, fitness, initiative and a sense of teamwork.
- Expand programming that interacts parents with their children as young as 4 years old in our Mini Fury soccer programs. (establish social skills, motor skills, life skills and health)
- Provide children with disabilities the opportunity to play soccer with our TOP Soccer program. Prepare players for U.S. National duty.
- Secure athletic scholarships to colleges and universities throughout the country for countless high school seniors.

We sincerely appreciate the businesses within our community that contribute to our mission at a variety of giving levels: club, team, and player.

This past year, our club served the needs for 80 new players and representing over 70 families. We take an active part in promoting our sponsors to our membership and to the broader community.

Our Facebook page has well over 1,000 followers engaging over 1000 people with in excess of several thousand reaches each week (Dodge City Toros Adult Futsol Teams First year will have 6,000 people follwing them in the MLF). Our website receives over 1,500 visitors each month. We publish at least ten newsletters every year, distributed via email directly to our members and posted on our website that includes sponsor activities, promotions, and expressions of gratitude.

Sponsors choosing higher levels of giving are rewarded with exposure via signage at Our Game Fields, Turf Lighted Stadium Soccer Fields and on practice jerseys or uniform kits.

Our competitive teams will participate in tournaments next year throughout the state of Kansas and area. Your company logo could potentially be seen by thousands of people over the course of one year!

The costs associated with providing the highest quality soccer programming to Ford County youth cannot be met with registration fees and fundraising efforts alone.

We rely on our community partners to help us meet and exceed the expectations of the young boys and girls learning the love of the beautiful game at Dodge City Fury FC.
